Parent Information

Being selected for the Tournament All Star Team to represent Laguna Youth Baseball is an honor that brings with it many positive aspects and recognition, as well as certain expectations. All coaches, players and parents are representatives of the Laguna Youth Baseball League at the tournaments and are expected to portray a positive image of the City and League in the good times as well as bad. The tournaments are competitive tournaments and the goal is to win. Playing only 9 players, and sometimes batting 10, **THERE IS NO GUARANTEE OF PLAYING TIME.** There is a good chance that a player may see little, if any playing time in the State, Regional, or World Series Tournaments.

Being selected for the tournament All Star Team is a serious time commitment with practices up to six days a week and at least one practice tournament. If selected, your child is expected to attend all scheduled practices and games and participate in any fundraisers. Parent participation is also required from assisting in the fundraisers to ensuring your child promptly attends all practices and games. Parents will be required to volunteer time when the league hosts the Pre-state tournament on June 8th and 9th and the 9U & 10U state tournament from June 22nd – June 28th, 2024. Additionally, there is a per player fee required to help offset the costs of the tournament team. We are in the process of confirming the cost now but estimating that it will be at least \$220 per player. If your child is selected to be on the Tournament Team, it will be an experience they will never forget. It will set the stage for future participation in tournament play, with the chance to play against the State's best players.

Are there any dates your child will be unavailable due to family or school commitments/vacations or other sports?

I have read and understand what is required if my child is selected for the Traveling All Star Team.
